

# FAIR OUTREACH

The Northeast Georgia area is home to many activities that bring people together from a large geographical area. Some of these activities are fairs that involve several counties. We have the opportunity to reach

out in this setting to those who attend. Meeting the needs of the family with a Baby Comfort Station, giving out cold water "In Jesus Name," sharing the gospel with witnessing tools, and serving individuals by offering assistance to the fair goers as well as the fair administration.

## WHAT'S IT ALL ABOUT?

Northeast Georgia Special Missions Outreach (NEGSMO) was organized by associations of churches in Northeast Georgia to bring the Gospel to settings where large groups of people gather. It also exists to bring Christians together learning evangelism and uniting to further God's Kingdom.

In Northeast Georgia we have millions of people coming to this area each year. Some come for shopping, others for races, others for fairs, and others are just passing through, such as truckers, bus passengers and tourists. Some may look at this influx of people as an inconvenience. We see it as an opportunity to meet people where they are and minister to them in that setting.

Each of the events that we do are supported by area churches and staffed by servants proclaiming Jesus.

***It's All about JESUS!***

## TRUCK STOP MINISTRY

Since 1994, trucking ministry has taken place at the Petro Travel Center at exit #160 on I-85. Carnesville, Georgia. This ministry has grown to a full-time work with the use of a full-time chaplain and volunteers. There is also a second location at the Bank Crossing exit #149. Both of these ministries reach out to truck drivers and the employees of the truck stop. Bible studies, chapel services, spiritual guidance, and fellowship are offered to those who come our way.

## BANKS CROSSING MINISTRIES

As doors have opened, the Tanger Outlet Mall and the Southern National Drag Races in Commerce, Georgia

have brought many other opportunities— gift wrapping at Christmas,

employee appreciation events, water distribution, and kids day in

the summer.

The Southern Nationals Ministry is for the spectators in the campgrounds. Several days of activities are organized to reach out to those around us, including hospitality tent, free concert, free lunch, along with chapel services, and a strong Christian presence.

Volunteers interact with those who come our way, sharing the Gospel by meeting people where they are.
