**Construction Needs- Material Needs- Clothing center- Food distribution**

Clear Creek Baptist Bible College, a Southern Baptist college that provides education for adults called into Christian ministry had material needs and needs for volunteer construction teams.

**The Courts Apartments:** These apartments house single female students. There are 4 apartments and they are in much need of attention. It will need new sheetrock, wiring, kitchen cabinets, carpet, central heat and air, and painting. It needs re-plumbing and all plumbing is in concrete. Due to limited funding, teams working on this project will need to make a pre-site visit and provide the materials. **Mahon Apartments:** These apartments house faculty/staff. These four apartments need complete renovation. The building will be stripped to outside walls with new apartments built within. **Campus roadways** are in dire need of resurfacing (blacktop).

**Resources Needed: Vehicles** - The fleet of campus vehicles averages over 200,000 miles per vehicle and is 15 years old. The college could use a good van. 1 or 2 good pickups are also needed. **Equipment** -The Physical Plant needs a good used bucket truck to be able to reach and do continuous maintenance on all the cable and wire on campus. There is also a need for a new riding lawnmower. **Food** - An on-campus cafeteria prepares daily meals and would welcome donations of food. Food donations are also welcome for student families who do not use the cafeteria on a daily basis. **Clothing** - Clear Creek would welcome your gift of current clothing

items for distribution among the student body and their children. Most of their students are male ministry students who are in need of good suits.
