Helpful Tips

1. Plan early. Many of the project sites use multiple groups of mission volunteers throughout the year. Call and secure your date as soon as possible.
2. Be flexible. The needs in Appalachia are great and the resources limited. Work closely with the requesting church, association, or ministry center. Ask them how you can assist them in what God has called them to do.
3. Call or email the **Contact** person on the project you are interested in doing. Call and talk to the **Contact** person listed with the project. Discuss their needs and your group's abilities. Also, if they indicate the project has been filled or they do not return telephone calls or emails, please let me know at bbarker@arministry.org or 606-316-4298. Usually the **Contact** person should return your telephone call or email within 24 to 48 hours.
4. Read carefully the Project Planning Guide and the Top Ten Items.
5. If you need assistance in finding a project, please email Bill Barker at bbarker@arministry.org or call 606-316-4298.
6. Brochures and information about Appalachian Regional Ministry are available. Please email Bill Barker at bbarker@arministry.org or call (606) 316-4298 and share the number of brochures you need, a name, and a street mailing address.

Pre-Project and Mission Trip Planning Guide

How to Use This Directory

The directory contains brief outlines of volunteer service opportunities and projects in the Appalachian Regional Ministry multi-state region. The requests are grouped by state, and according to type. Find the project you or your group would feel led to undertake. Then call or write the **Contact** person listed to see if the request has been filled and to get additional planning information. Projects and service opportunities must be negotiated with the sponsor church, association or missions organization.

Some Things You Should Know

The Appalachian Regional Ministry region is diverse socio-economically and culturally. **ALL** volunteers must be willing to work with all types of people in the community. **All** volunteers must work with the local sponsor leadership to support local ministry goals and development.

ALL VOLUNTEERS are personally responsible for providing their own liability and medical insurance. Both sending and receiving groups, organizations or individuals are responsible for their own planning, risks and liabilities.

Unless otherwise provided, volunteers must provide their own local transportation, housing, meals and materials. If housing is provided, be sure to ask if you need to provide your own bedding. Advance planning, frequent communications and fervent prayer between volunteers and sponsor group are essential to a successful missions experience.

Refer to request description for information on:

- description of what needs to be done
- dates and types of volunteers needed
- availability and type of housing and meals
- openness to accept youth and/or adults only
- type of materials and skills needed

Please review the following guidelines when planning for your missions experience.

Goals for volunteer missions are:

1. Meet the needs of the people in the area
2. Spiritually enrich the life of each volunteer
3. Enlarge the missions vision of the volunteer and of the volunteer's church
4. Serve in such a way that bears a positive witness for Jesus Christ

Other considerations include:

1. Age
The recommended age for all volunteers on a mission trip to another location is 15 or older. Exceptions might include children of sponsors, and unusually mature young people under the age of 15 who do not occupy leadership roles.
2. Ratio of sponsors to youth should be not less than 1 to 8.
3. Daily conduct
Orientation and pre-trip planning should help all volunteers understand conduct requirements. Daily conduct should include the avoidance of the use of tobacco products, drugs, alcoholic drinks, vulgar and lewd language, immodest dress, and reckless behavior, etc. All volunteers should conduct themselves daily so as to present a positive Christian witness to everyone around, including other volunteers.
4. Church membership
It is strongly recommended that all volunteers be active church members. Churches are responsible for the supervision, conduct and liability of all volunteers.
5. Local culture

The project area may be culturally diverse and distinct from that of the volunteers. Volunteers must be as sensitive to and appreciative of that culture as if they were in a foreign country. This means that all volunteers need to listen and learn, be open to new ideas, and be capable of making adjustments to the local culture.

6. Servanthood

The local churches, associations and missions organization are the primary ministers to their area. Volunteers must cooperate with and follow local leadership. Additionally, volunteers will want to comply and cooperate within their team.

7. Finances

Unless otherwise specified all volunteer groups will be responsible for: travel cost, food and lodging, supplies and equipment, materials for construction projects, and group insurance while in transit and while on site. (Information about travel and accident insurance is available from the ARM national office.)

8. Organization

Each volunteer group will want to organize in an effective and detailed manner. The following type leaders may be needed:

Project director – usually the pastor, other staff minister or an experienced mature lay person.

Coordinators – for large projects such as; VBS, surveys, health clinics, sports clinics, construction projects, and overall financial coordinator.

Drivers – only adults with current license, adequate insurance and good driving record.

Sponsors – for youth, group leaders, teachers, and persons with any needed specialized skill or certification.

9. Planning

All participants need to work together to develop schedules and activities that are mutually acceptable and workable.

A pre-project site visit is recommended if at all possible. Then frequent **Contact** by phone, letter or e-mail with the project sponsor is necessary to assure the project will accomplish the desired results. Pre-project planning will help volunteers know how to adjust their plans and schedules to best meet the local ministry situation. This will also assure the volunteers that good planning is being done in advance of their arrival. (Some sponsor groups require pre-project orientation for volunteer group leaders.) The use of mission site videos in pre-project planning can enhance volunteers' understanding and excitement for the project.

10. Involving Your church

Once your church has selected and adopted a project, several actions should be taken.

a. Initial **Contact** from the local project leadership should be established.

The church or association that made the request should provide you with additional project information and confirm your visit dates and project details. This should include name, address and phone numbers of your **Contact** person.

b. Your church and mission team should begin praying for the project.

Team members will want to gather frequently for Bible study and prayer in preparation for the missions experience. The whole church will want to begin praying for the mission team, the project sponsor, and for the physical and spiritual project goals. All team members should be trained in personal witnessing.

c. You will want to make a pre-project visit to the project location.

This visit should be pre-arranged with the project sponsor and **Contact** person. Expenses for this visit should be included as part of the overall mission trip budget. Church has responsibility for financial support including adequate insurance, dependable transportation, and needed materials. Details about the project including all materials and local housing arrangements should be discussed. You may find the check list below a helpful pre-project planning guide.

Notes: _____

Travel:

Highways and roads are generally good, but local travel can become congested and slow. Make adequate allowance for delays, regular rest stops, and time to enjoy the journey. Travel in the mountains is best measured in drive time instead of distance.

Accident Insurance:

You will want to make sure your church insurance will cover accidental injuries for anyone in your group.

Or, you can acquire travel/accident insurance information from the national ARM office.

Trip Permission and Medical Care:

Every child and youth must either be accompanied by or have permission from his/her parent/guardian to make the trip.

Every person making the trip should complete a medical form giving their name, address, age, medications currently taken; name, address, phone number of family physician; any known health problems; and permission to seek medical care on their behalf in case of an emergency.

Take a first aid kit prepared by a doctor or pharmacist. Be prepared for insect bites, dog bites, heat exhaustion, diarrhea and hygiene needs.

If possible take a doctor or nurse with you.

Lodging:**Motel/Hotel**

Have all reservations confirmed in writing two weeks prior to trip.

Make written room assignments before departure.

Have established curfew and behavior rules. Start and end the day with prayer in room groups.

Church/Camp

Take restroom supplies, cleaning supplies, bedding, food, etc.

Leave facilities clean (pay for any damages)

Leave a love gift for utilities.

Private Homes

Be kind and express appreciation.

Take care of your own laundry and clean up after yourself.

Eat what is prepared unless medically prohibited.

Do not walk about in sleepwear.

Be sensitive to the family's schedule.

Restaurants

Try and secure a copy of menus and prepare orders in advance.

Except in fast food places, leave a tip of 15 to 20%.

Practice patience and understanding.

Follow The Leader:

Remember that the ministry belongs to the local churches and missions organizations. Follow their leadership and support their work and planning. Work hard every day. Be flexible. Be ready and punctual.

Lead your group in Bible study, prayer and discussion each morning and night.

Clearly identify and follow designated group leaders. Conflicts should be dealt with without disrupting activities or damaging Christian witness.

Team-building

Plan times in the pre-planning stage to develop your group as a team. Time spent together and shared information will strengthen the bond and readiness of all team members.

Team-building meetings should include such things as: information on the project, expectations of the sponsor and team leaders, spiritual readiness, personal cost, packing guidelines, special needs (diet, health care, etc.), witness training, other special training.

Report and Celebrate:

Share the excitement, results, disappointments and concerns with all of your partners: your church, association and state convention.

Reports should include information on who went, where did you go, what did you do, what happened as a result, what ongoing concerns do you have?

Seek opportunities for participants to share about their experiences and give testimonies of how God was at work during the project.

The Top Ten Items in Planning Your Mission Trip

- 1. Pray** - involve the whole church in the process through prayer from the dream stage to the celebration.
- 2. Discover** - What are your skills? Where do you feel God is leading you to go? What is your interest? What is the size of your volunteer missions group? Read through the project requests, which are attached, and select one or more that fit what you feel God is calling you to do. If you do not find the area and or project you are looking for, call ARM at 606-316-4298 or email ARM at information@arministry.org
- 3. Read** - Take time to read the Pre-Project and Mission Trip Planning Guide.
- 4. Contact** - One you have selected one or more projects, call the **Contact** person listed, and ask them about the project. Be sure and ask if the project has already been filled. Also, ask them the questions that are essential for your mission volunteer group. Talk about the dates you have chosen to make sure that it is acceptable for all parties concerned.
- 5. Visit** - Successful mission trips include a pre-site visit to review the site, to secure the housing arrangements, to discuss with the **Contact** person the project, and to pray. This is an excellent time to do a prayer walk or a prayer drive.
- 6. Goals** - what would you like to see accomplished through and on this mission trip. Write it down and share it with your prayer partners. Ask yourself this question, "What do we feel God wants to accomplish through us on this mission trip?"
- 7. Planning** - Using the Pre-Project Planning Guide, will help make your mission trip a positive experience. Be sure and involve the church or ministry you will be serving in your planning. For example, if you are going to a small church in Appalachia to do a Block Party, involve their youth and adults in the activities you have planned. Let them work alongside your missions team. Be sure and ask what Bible Translation is acceptable for you to use in the area you are planning to take your mission trip.
- 8. Missions** - Enjoy your volunteer mission trip. Let this be the mission trip where God uses you in a marvelous way to see many come to faith in Jesus Christ.
- 9. Report** - Take a few moments, email ARM at information@arministry.org, and tell us about your trip. Be sure and tell us how many youth and adults participated in the trip, where you went, what you did, and how many decisions were made. Also, please tell us how we can improve and help make your mission trip next year another exciting adventure for Christ.
- 10. Celebrate** - Work with your pastor and plan a time to share with your church about your mission trip.

START THE PROCESS ALL OVER AGAIN

Any church or persons desiring to make a financial gift to a church in Appalachia should send this gift to the State Convention of which the church is a member or to ARM, designated for the specific church for which it is intended.

MD0003 – Christ Memorial Baptist Church, BRUCE OUTREACH CENTER, Westernport, MD

Construction (renovation)

Christ Memorial Baptist Church recently purchased an older, 118,000-square-foot school building on 11.2 acres for a church. It is BRUCE OUTREACH CENTER. The tasks are numerous and construction teams are needed to help with a variety of renovation construction projects. Other projects include community events as outlined in Project MD0004 below. Please visit website for more information.

The following is the list of what needs to be accomplished through a partnership of our church and those who may feel so led to come and assist us. One, some, all, or none of the below can be combined with the list of ministry ideas on another link. You can “tailor-make” your mission trip.

Bathrooms: (Men and Ladies): Pipe covers replaced, toilets / sinks cleaned or replaced, floors swept, mopped, and polished (or new tile installed), new toilet paper holders, trash cans replaced, doors on stalls repaired / replaced, ceiling repaired/painted (is currently peeling), lights replaced, windows cleaned, cracks in walls filled, fresh coat of paint on walls, new mirrors, soap/napkin dispenser OR hand dryers installed, baby changing station installed, etc.

Auditorium: New Curtains (stage and windows; extensive job), ceiling tiles replaced (ceiling is high), vent over door repaired/replaced, spackle cracks, paint walls, cover wires on walls, change all light bulbs, auditorium type chairs repaired, sanded, finished, etc. and/or remove back row of seats to replace broken ones throughout auditorium, chunks out of cement floor need repaired, folding chairs removed, stage sanded and buffed, replace and install carpeting in aisles and at front of auditorium, ropes for curtains replaced, windows cleaned, auditorium lights labeled, sound/light equipment (find if it works and how), and build portable room dividers so worship services can be moved to the auditorium in the future. We also need removal of mold.

Gym: Floors swept and treated (hardwood floor), basketball hoops repaired (peeling of encasement around backboards), walls washed and painted, insulation around pipes replaced, bleachers sanded and re-stained and then greased (some of the boards need to be replaced), light switches and light bulbs replaced (once again, high ceiling), fans checked, exit signs cleaned/replaced, lots of wires on walls need to be covered, and partition needs to be oiled and repainted.

2nd Floor: Ceiling tiles replaced, light bulbs replaced/fixd/changed, floor swept, mopped, and buffed, display cases cleaned, carpet cleaned, holes in wall spackled, and new paint on walls.

Ramp from 1st Floor to 2nd Floor: Carpet vacuumed and cleans, walls washed with cracks filled and then painted, replace missing rail.

Front Hall: Windows washed, lights cleaned/replaced, floors swept, mopped, and buffed, display case cleaned, spackle walls and paint, clear away trash cans, etc.

Outside: Repair sidewalks, asphalt, paint, scrub pillars (graffiti), power wash building, grass cut / landscaping, new signs for building, steps blocked or repaired.

- Block Parties
- Sports Camps
- Backyard Bible Clubs
- Medical Fairs
- Movie Nights
- School Supplies Distribution
- Parents Night Out Ministry
- Nursing Home
- Juvenile Justice Camp

“Long-Term”

NOTE: These may include projects which cannot be done by one particular team, but a combination of teams over a period of time.

- Clothes Closet Development
- Expansion of Food Pantry
- Music Festivals and Concerts
- Development of Site for Disaster Relief Accreditation
- Development of Physical Fitness Rooms for Youth or Elderly
- Development of a Christian Day Care or Charter School

- Development of Rooms for Youth Recreation Center
- Development of the Auditorium into a Community Movie Theater
- Development of a Library / Christian Resource center
- Development of Walking Track Outdoors / Indoors

MD0005 – First Baptist Church, Cumberland, Md

EVANGELISM-COMMUNITY OUTREACH

First Baptist, Cumberland, Md. is seeking a husband and wife team to relocate to their church for 12 months to establish contact and relationships with individuals of all age groups in the neighborhood. The objective is to introduce them to a relationship with Jesus and integrate them into the church family for discipleship. FBC is primarily 70 year olds and older and they feel they need someone new to establish connections to the surrounding community, which is characterized by poverty and single parent families. This is a totally volunteer situation.

RENOVATION – REPAIR – OUTREACH – DVD PRODUCTION

Description:

RENOVATION/REPAIR

- A. BATHROOM - Small to medium group to tile men's bathroom and shower area which has two toilet stalls, two showers and two sinks. Needs concrete board applied to walls and then to be tiled. This needs to be a small to medium group if staying at the church as one set of showers will not be available. Could be a larger group and do more if staying at mission center (which is walking distance from church) or elsewhere. Group would need to provide materials.

January 2011 – April 2011

- B. FENCE - Need a group to put up new chain link fence and some privacy fencing. Old fencing is in bad shape. Group would need to provide materials. [If group is expert at fencing and had the time and desire, also need fencing replaced at Pastor's house. Pastor would provide materials for work at house.]

Available dates - Anytime

C. ELECTRICAL

- a. Need several electrical outlets and switches put in.
- b. Need new door bell and intercom installed and wired.
- c. Need video surveillance cameras installed and wired (could share cost of surveillance system). Group would need to supply materials accept as noted.

Available dates - Anytime

D. PAINTING

- a. Two large rooms in basement where we had a flood and have been treated for the mole need repainting (requires moving bunk beds stored their).
- b. Painting of upper area of church (requires work on scaffolding). Middle classroom needs repainting but has murals painted on wall (need a group with artistic people that can touch up murals and paint walls around them. Have considered possibility of either painted or word trim around murals so that painting of walls would be easier).

Available dates - Anytime

- E. KITCHEN PLUMBING Need pipes under kitchen sink replaced. They need to be done in either brass or stainless steel pipe (PVC does not meet NYC code). Group would need to provide materials.

Available dates - Anytime

- F. STEPS & DOOR: Need concrete step raised (maybe 3 inches) in height and door shortened where water has gotten into church in past. Group would need to supply materials.

Available dates - Anytime

- G. FLOOR REPLACEMENT: Need to replace gym/multi-purpose room floor with hard wood floor. This is a big job but group would need to supply materials.

Available dates - Anytime

- H. FLOOR/CARPET REPAIRS: Have several areas where minor flooring repairs are needed and new carpeting needs to be put down. Could help with some of the cost of the carpeting.

Available dates - Anytime

OUTREACH

- I. Artist needed: We need somebody who can do pencil/pen/charcoal line drawing of several men/women of faith (if artist did calligraphy that would be even better). We hope to frame numerous pictures of godly men and women with a quote next to the picture. This could be done at home and sent or brought to church. We would provide names and quotations.

Available dates - Anytime

- J. Need two high quality DVDs to be produced (filmed and edited).
- a. One would be to help recruit mission teams desiring to come to work with us.
 - b. The second would be for visitors and community outreach.
 - c. Master and any number of copies your group could provide would be most appreciated and helpful to us.

Available dates - Anytime

- K. Christmas 2011 project (any week in December before Christmas) project includes:
- a. Christmas party for community children – involves printing and mass distribution of at least 2,000 fliers, providing crafts and games, refreshments/lunch, lead singing Christmas carols, pastor of PSCC would preach a short message (have had 75 or so children attend, we plan for 100). Collect toys for giving out (we currently have enough for next event and hope that other churches will help with the collection).
 - b. Christmas party at local Woman's Shelter – only adults 17 and older allowed in shelter), Prepare for 70 women at shelter. Provide a couple craft projects and for manicures. Provide dessert fellowship (just a couple sheet cakes from Costco's, cookies from Costco's, and a Crystal Light type drink. Lead singing Christmas carols and contemporary Christian music.

- c. Finally a message (usually by woman for women). Provide gift bags for the women. Other ministries are available to fill your group's time.

Available dates – January – December 2011

- L. Summer Outreach: Ideal group can do both ministries and some construction/repair work although construction is optional. Typical week begins with five day Kidz Klub, community cookout in front of church, and concert or Christian film after the cookout, and feeding the homeless. Group can be involved in Sunday service (teaching Sunday Kidz Klub – our name for Jr. Church; special music, and possibly a praise team leading worship). Other ministries available to fill in rest of the week are as varied as painting, park ministries, concerts, free car washes, prayer walking, puppet ministry, etc. (Contact for a list of around 30 possible ministries). Looking for teams from May to mid August, and Spring Recess).

Available dates – May thru mid-August 2011

- M. People, church, group to crochet hats and scarves for homeless. Could send or bring up on a mission trip. Also, need folks to collect coats and warm sweaters for homeless. Send to us or bring up on a mission trip.

STEEL VALLEY BAPTIST ASSOCIATION #14

(4 Projects)

OH0003 – Steel Valley Baptist Association, Youngstown/Warren, Ohio

VBS – Backyard Bible Clubs – Construction/Painting – Community Outreach – Survey – Block Party

Steel Valley Baptist Association - covers 4 complete counties and part of four others with 29 churches and 5 missions. In the Steel Valley Association, there are 870,000 people, with only 1 SBC church for every 27,000 persons. The Steel Valley Baptist Association in northeast Ohio needs volunteers to assist with the following churches. For more information on the projects and for information related to housing in a particular area.

Contact George Bannister, the Associational Missionary (330-398-8048).

1. The Steel Valley Baptist Association needs volunteer mission teams to assist with VBS, Back Yard Bible Clubs and outreach in target areas and with new church starts.
2. Charity Baptist Church (Warren) is in need of one or more groups who could paint the exterior of the church. They could also use help with VBS.
3. The Open Door Baptist Church (New Church Start) is in need with groups to help out with Back Yard Bible Clubs, Block Parties, and other outreach projects this spring and summer.
4. Carnation City Baptist Church needs volunteers to conduct VBS and to help with follow-up.
5. Austintown Baptist Church is in need of people to help with Back Yard Bible Clubs and Door to Door outreach this summer.
6. Christian Community Baptist Church (New Church Start) is in need of teams to help with VBS and other outreach events this summer. Teams are also needed to assist with follow-up.
7. Good Shepherd Baptist Church (New Church Start) is in need of groups to help with survey work, VBS, Back Yard Bible Clubs, Block Parties, and other outreach events in the spring, summer, and fall.
8. Austin Village Baptist Church is in need of groups to insulate their education building and to do VBS this summer.
9. Northside Baptist Church (Youngstown) is in need of groups that can help with Back Yard Bible Clubs and other outreach projects.

10. The Associational Office is in need of people who can help with fixing some windows, and other projects around the building.

11. There is the need for church planters and funding to help support church planters. Below is a list of new works that need partnering and co-sponsoring churches.

Vacation Bible School – Creative Outreach

Austin Village Baptist Church is located in a busy neighborhood right across the street from a housing complex. This church has a new facility that is ready to address the needs of the multi ethnic area that surrounds it. The

interim pastor has seen attendance mushroom with children and new converts. They are looking for a team that would conduct a VBS and do creative outreach in the area. The church is open to teams of singing groups on Saturdays in June, July, and August. This is a unique opportunity to help a church transition from an all Anglo to more racially inclusive group.

CONSTRUCTION – REPAIRS

Our church for many years was the strongest church in the Steel Valley Baptist Association in attendance, missions giving, church planting support, and overall cooperation. In recent years the church has struggled and the attendance has declined, at one point dropping below 100 in average attendance. Under the leadership of their new pastor, Ken Donaldson, the church is on the upswing. But because of the debt load they are unable to do the building repairs needed to continue reaching out into the community. Currently the roof (flat) to their educational building (used to be a school) is in ill-repair and is in need of replacing. The church has put together about \$40,000 for repairs, and has been told that it will take about another \$35,000 to have enough to effect repairs if volunteers do the work. The church needs to be able to utilize the space made unusable by the roof leakage. However, they already owe about \$500,000 on the note for the worship center and offices constructed under a previous pastor.

Because of the financial situation with the church, they cannot afford additional debt. Volunteers are needed to make the roof repairs.

(3 Projects)

OH0004 – Scioto Valley Baptist Association, Jackson, OH

Church Planting – VBS – Backyard Bible Clubs – Block Party – Light Construction – Evangelism – Servant Evangelism – Survey – Sports Camps – etc.

Scioto Valley Baptist Association covers a 10 county area in Southeast Ohio. The total population is about 475,000 people. The largest city is Chillicothe with a population around 30,000. The association consists of 30 works with a total membership around 7000. The best data available shows the area is between 75-80% un-churched. Several key cities have no Southern Baptists work.

OH0105 – Scioto Valley Baptist Association Jackson, Ohio

Volunteer and Partnership needs

The area of need we have in Scioto Valley Baptist Association is for new works. Most of our works are small and function with limited resources and leadership. Within our 10 counties + we have over a half million people. With at least 65 -82% lost and uninvolved in church. That gives a large number of folks in need of eternal hope as well something worth living for now. The communities range from small population to large where works could be started. Our need would be for planters as well teams willing to come and work the fields preparing for the birth of a new work. Resources would also be needed to help with projects and funding for planters that will be staying on the job. I’m pretty sure that I will be able to get a works in our association that will partner with teams / sponsors from our sister churches in the south in this special planting mission venture.

Several locations along the Ohio River would be good for new work starts.

- Portsmouth is a town of about 20,000 without any Southern Baptist work.
- Athens a university town of about 40,000 with students has one congregation in the entire town.
- Several other medium and small communities across our association would be places that need a ministry to reach folks for the Lord.

SUMMIT BAPTIST ASSOCIATION #15

(1 Projects)

OH0106 – Summit Baptist Association, Akron, Ohio

Volunteer and Partnership needs :

We have 22 churches in our association, 9 of which are church plants. At present we have 1 church for every 50,000 people. We need people who are willing to come and help in church planting. Some of our needs are as follows:

1. Backyard BC/VBS- always needs for our existing churches and new CPs.
2. Survey work to probe new communities followed by Block Parties to build prospect list.
3. Construction/maintenance projects- nothing major but many of our church plants meet in facilities that need light constructions and repair.
4. Clean up- in the places our cp's meet there is always a need for cleanup. The church I am starting meets in a school that has few resources. Last year a group cleaned out and mulched the flower beds. This went a long way in helping our relationship with the school.
5. Servant evangelism projects- to build a positive image and soften response resistance to the Gospel
6. Sports Camp- for many of our communities this is a better outreach to unchurched/lost people than VBS and BBC
7. Summer Missionaries to create youth ministries and assist church planters.
8. Church Planters- guys who feel called to the challenge of a mission field where 80% to 85% of the people are lost, unchurched, or associate themselves with churches where they do not hear the Gospel. We have a strong need to have a church plant in Carroll County where at present we have none.
9. Anything a church is good at we could probably use assistance in. Please encourage pastors and church leaders to contact me to if they have any questions about Summit and our needs

GREATER CLEVELAND BAPTIST ASSOCIATION #3

(1 Projects)

OH0107 – Greater Cleveland Baptist Association, Cleveland, Ohio

Volunteer and Partnership needs:

1. **Gateway West**- this church just launched in the city of Cleveland. They could use help at anytime during the summer and throughout the spring with evangelism efforts such as VBS, Bible clubs, school tutoring, survey, block parties, and several citywide construction projects. The pastor's name is Dan Grahm.
2. **Lifebrand Cowboy Church** is a church that is only 3 years old who reaches out to the men and women that work the rodeo circuit. They meet on Tuesday evenings. They just had a baptism service where 18 people were baptized. They are building a ranch for inner city kids and a new sanctuary they need many construction teams and evangelism teams especially with their summer camps.
3. **Crossroads Church** is a 50 year old church that could use some summer teams in evangelism.
4. **Alive Church** is a church that will be launching this spring. They will be an African-American church that seeks to reach out to the younger generation in the Garfield Heights area of Cleveland. They could use help at anytime during the summer and throughout the spring with evangelism efforts such as VBS, Bible clubs, school tutoring, survey, block parties, and several citywide construction projects.
5. **Mount Calvary** is a church that is 15 years old that is seeking to reach its community for Christ. They need spring or summer teams that will help with children's camps and other evangelism projects. This church desires to do anything to reach people for Christ.
6. Our home needs a new roof. We can provide the materials but we need laborers to put them up. Our house currently houses a student mission's intern and over the last 3 years has housed over 12+ summer missionaries that serve our churches. Our home has been a center for serving and loving our pastors and its staff. Currently our roof has begun to show signs of possible leaks. We are praying that God will make a way.

PA0022 – Philipsburg Baptist Temple, Philipsburg, PA

Philipsburg Baptist Temple was a Jewish synagogue that was given for us to plant a church. The church was planted, outgrew the location, and moved down the road to another building. The building is approximately 16' x 50-60'. The roof needs to be reshingled and an old piece of gable taken off (where a former wing was attached). CHURCH NEEDS – PASTOR - CHURCH PLANTER

CVBA covers a nine and a half county area of southern central PA. The counties are Fulton, Huntingdon, Bedford, Somerset (site of Flight 93 from 9 - 11), Indiana, Cambria, Blair, Jefferson, Clearfield, and eastern Westmoreland. We have somewhere over 900,000 people in this part of our state. We currently have 19 churches and chapels.

- We have over 25 population areas with 5,000 or more people and no, or very little evangelical work in them.
- We have large Asian Indian and Chinese populations, and a good group of Hispanics (for whom we do have a missionary).

NEEDS:

- Anytime: We need couples willing to come and start new works in many places across CVBA. They would need to be “tentmakers” or have support from their home church (es). We have seen great success with such couples. Bro. Tommy Brown and Christ in Somerset, PA (they came with no leads, facilities, or local support, and have served here over five years to date. In this time they have planted a church, and planted a mission this past year.) Bro. Bob Lindsay and Barbara came to the mission plant a little over a year ago, and from nothing have planted a church that is reaching a heavily Catholic area for Jesus!
- In each case they KNEW God wanted them here, and in each case much of their support came, or comes, from a trade skill. In each case there is a viable growing work!
- We NEED a missionary for Asian Indian people and one for Chinese people as soon as possible. We have large people group in both of these ethnicities and no Gospel outreach as yet for them.
- (We were able to partner the three western PA associations together with our ethnic coordinator from the state office to secure a Hispanic missionary who has started three Hispanic works in less than a year in western PA.) The fields indeed are white unto harvest. And we pray the Lord of the harvest to send you as labors in these fields.

- We NEED people to work on college campuses. We have one couple coming this fall to work at the Indiana University of PA, in Indiana, PA. We have other campuses that need workers as well.
- We NEED churches, who will collect aluminum cans, cash them and send us the proceeds for our new work fund. We are seeking to raise our first million cans that would equal about \$18,000 for our fund. Then we will start on our next million. You can check our progress at www.byhisgrace.cc - cvba. PA0053 – Evangelical Baptist Church, Osceola Mills, PA

Evangelical Baptist began as Philipsburg Baptist Chapel and met in a renovated Jewish synagogue until they outgrew the facility. They then moved four miles west to Osceola Mills. They have been growing, and have developed a great children's ministry in addition to outreach too many adults. They have done major renovations in the basement. Ivan flooded them a few years ago.

NEEDS:

1. The church NEEDS a handicap ramp!
2. In the ministry area, they have young family, 30-40 years of age that the husband has been diagnosed with advanced MS. His wife has to carry quite a load in the home and family. Their roof leaks and needs to be replaced. It has been patched several times but the greater need is a new roof. They would need help with materials, as well as labor.
3. The Pastor's home NEEDS replacement windows (7 to be exact). These are needed this fall. In the spring they need vinyl siding, with a layer of insulation behind it.
From the Missionary: I am seeking 16 people or churches to donate a window. These windows would save hundreds of dollars in heating costs. Call for more details.

PA0027 – CrossSeekers Campus Ministries, Southwest PA

CrossSeekers Campus Ministries is a ministry of the Baptist Association of Southwest Pennsylvania to 43 colleges and universities in the Greater Pittsburgh area. Following are ways volunteers can become involved.

1. Donations for care packages throughout the semester but especially during final exams during December and late April early May. This is a great outreach tool on our campuses. Suggested items for the care packages includes, microwavable popcorn, hot chocolate packets, gum, pens, writeable CD's, travel size shampoos, shaving cream, deodorant, mouthwash, toothpaste, etc.
2. Bibles are needed to hand out to students for free. We believe that the Word of God is powerful and active. Many students do not have a Bible and would read one if given one. We are looking for NIV

translations, preferably pocket size but any size will do. CrossSeekers make these available to students at many venues throughout the each week.

3. We desire teams to come and Prayerwalk our campuses throughout the year. We have several established campus ministries that need consistent and "live and in color" prayer. We desire teams to walk the campuses and pray over the places where we worship, have Bible studies, and encounter students on a daily basis. We also have campuses where we have been trying to get a ministry established but have been unable too. We need prayer warriors to come and pray for victory and for the walls to come down so that we might be an official part of the campus.
4. We desire groups of college age students to come and join us during their spring break and be a part of a mission trip. They would work with our local directors in doing special outreach and evangelism projects that would help students know who Jesus is as well as who CrossSeekers is on their campus.

PA0171 – Southwest Association Regional Church Planter and State Church Planter Strategist (Braddock, Pa)

Evangelism - Church Planting - Prayer walking - Survey, Visitation

One team of 2-16 volunteers is needed to prayerwalk, survey, and map communities where church planter

strategists have targeted a church plant in Braddock, Pennsylvania. Need teams to adopt this community and pray for its openness to the gospel. Volunteers who have experience in prayer walking, love sharing their faith and love people would be helpful. A strategist will work with your team in planning this ministry. Team will need to provide own housing. Sister churches are willing to house teams; these have showers, camp grounds (can rent shower trailer for the week for \$250), hotels, church parking lot for RV's and campers and possibly could stay at college dorms. Team will need to provide own food. The churches have a kitchen for teams use. There are local restaurants nearby. Buses are discouraged because of narrow streets; vans would be a better choice.

PA0181 – Southwest Association - West Region BRN PA – SJ, Pittsburgh, Pa

Transporting and Setup Shower Trailer

SW Association has a shower trailer and a block party trailer which requires shower trailer being moved weekly and the block party trailer needs to be moved sometimes daily. Upkeep of the trailers (setting up, breaking down of shower trailer, making sure block trailer repacked properly, resupplying...) Requirements: truck large enough to pull 5th wheel trailer with hitches and necessary licenses. The trailers are great conversation starters about Christ!

Purpose: the shower trailer is used by mission teams working in western PA. We have only a few churches with adequate facilities to house teams. Some of these have 1-2 showers, some have none. Trailer is used by larger teams that are staying at a church.

Logistics: The shower trailer is normally used by 5-8 teams each summer. We transport it to the needed location where it usually sits and is used for 1 week. Then it is moved to the next location. Our Association is large and the transport may be up to a 2-hour drive. The trailer is also occasionally used in the Northwest or Conemaugh Associations.

Past Procedures: We have done one of the following:

1. Find someone that has a truck large enough to move the trailer. We have only found 3 individuals, but they aren't always available.
2. Rent a truck if we find someone that can move it but does not have a truck. This usually costs \$175b-225 for truck rental for one-way move depending on how far it is moved.
3. We charge the mission team a fee to cover cost of truck rental or gas reimbursement as well as propane and upkeep.

PA0184 – Southwest Association Regional Church Planter and State Church Planter Strategist (Clearfield, Pa)

Evangelism - Church Planting - Prayer walking - Survey, Visitation

One team of 2-16 volunteers is needed to prayerwalk, survey, and map communities where church planter strategists have targeted a church plant in Clearfield, Pennsylvania. Need teams to adopt this community and pray for its openness to the gospel. Volunteers who have experience in prayer walking, love sharing their faith

and love people would be helpful. A strategist will work with your team in planning this ministry. Team will need to provide own housing. Sister churches are willing to house teams; these have showers, camp grounds (can rent shower trailer for the week for \$250), hotels, church parking lot for RV's and campers and possibly could stay at college dorms. Team will need to provide own food. The churches have a kitchen for teams use. There are local restaurants nearby. Buses are discouraged because of narrow streets; vans would be a better choice.

TN0003A – Big Creek Missions

BYB Clubs – Construction – Adult Ministries (Nursing Homes, Senior Centers) – Community Service – Block Parties

This prepackaged missions outreach for students is sponsored by Big Creek Missions, KY and Chilhowee Baptist Association, TN. Volunteers meet physical and spiritual needs in Leslie County, Clay County, and Perry County, Kentucky. They work out of Big Creek Missions Center in Bear Branch, KY. This rural Appalachian setting provides students and adults real opportunities for ministry in an area that desperately needs to hear the message of Hope in Christ. You will team up with no more than 200 other students and adults to serve in Southeast Kentucky. We provide almost everything you'll need while in Kentucky – including evening worship with a QUALITY worship band and strong Biblical teaching that is applicable in a mission setting and beyond. Students and adults can choose their preferred "track" of ministry: Children, Construction, and Community. Although this mission is primarily designed with students in mind, groups of adults skilled in construction can be utilized to assist with local ministries. Cooking crews for each week of ministry (May 31- August 1) are needed as well as construction coordinators, office help and facility maintenance.

TN0017A- Camp Tipton, Alcoa

Children and Family Day Camps- Home Repair- Servant Evangelism- Resort Ministry

During the last years, Camp Tipton, a camp ministry of the Chilhowee Baptist Association in Blount County, Tennessee, has been meeting needs, leading others to Christ and linking them to churches where they will be discipled. With the help of volunteers, people have been reached through home repair ministry, servant-evangelism in resort and community settings, and a values-based ministry to grade-school children at local public schools. Associational churches are partnering with Camp Tipton and mission teams in Project 83. This is the avenue through which people are helped, Christ is shared and new believers are linked with a local church. Project 83 mission team partners will receive training and opportunities to share their faith and serve others in partnership with a local church. Local church and Camp Tipton staff and volunteers will provide leadership for each mission project.

Other needs include painting and setting up an area for clothes closet and worship service. Obtaining and installing shelves and racks to display clothing. A youth resource center, or safe place, is being established that will be available to middle school, high school, and college level students. Needs here include: Computers with software to place in the center for youth to use as a resource for school work. A large screen television set and sound system (not fancy) for the recreation room would be very helpful. Used items would be good.

Discipleship Baptist Church requests volunteer teams to also assist with VBS, a Block Party, door to door evangelism, Backyard Bible Clubs, and sports clinics. Volunteers are also needed to do prayer walking the second Saturday of each month.

VA0004 – Crosspointe Community Fellowship, Bluefield, VA

Block Parties – Evangelism Events – Sports Camps – Construction – Food and Supplies Distribution – Construction

Crosspointe Community Fellowship is a new church start with the SBCV and requests volunteer teams for outreach events, block parties, evangelism, sports camps, and construction.

The building they have recently purchased is a former Christian school/church and needs renovation. Current needs include:

- Complete the installation/replacement of the roof. Over 95% of materials are currently on site.
- Electrical wiring
- Replace/install flooring
- Remodeling in the kitchen
- Construct a deck on the side of the church building

The church is also engaged in ministry-based evangelism to the community through meeting physical needs – school supplies & diapers. Volunteers are needed to help with collecting and delivering these items. For more information and for housing information call the pastor.

Each team will also have ample evangelistic opportunities in this setting.

VA0006 – Powell River Baptist Association, Jonesville, VA

Backyard Bible Clubs – VBS – Youth – Children – Home Repair – Ministry Evangelism – Evangelism - Construction

Powell River Association of Missionary Baptists sponsors many ministries and has the following needs and mission volunteer opportunities.

1. **Food distribution ministry to needy families.** This ministry is coordinated through the 31 churches of the Association. This ministry provides food for several hundred families each quarter.
Needs: Non-perishable and canned food items, cleaning supplies, paper products.
2. **A clothing ministry to provide clothing to needy families.** This ministry serves approximately 500 families per month. Needs: clothing (used in good condition and new). We especially need men and boys clothes.
We need household goods. (Towels, wash cloths, small appliances, dishes, pots & pans and bed linens.)
3. **A toy ministry.** Toys are distributed throughout the year to needy children.
Needs: New and used toys in good condition.
4. **Carpenter's Hammer.** A repair ministry for the homes of the needy. During 2008, 42 projects were completed through this ministry. The repair work consists of roof repair and replacement, handicapped ramps, and other minor repair work to make homes of less fortunate livable.
Needs: building supplies, small construction tools, and volunteers to prep and repair homes.
Contact: Wayne Maness Phone: 276-346-4611 or 276-393-1572
5. **A furniture ministry to replace and provide furniture for the needy.** Our area has a large number of burn-outs where everything is lost. We have families who cannot afford to buy the furniture they need.
Needs: good used furniture, appliances, and microwaves. & baby furniture.
6. **Shoe Ministry.** A children shoe ministry to provide a new pair of shoes to each needy child at least twice a year. Several hundred shoes are provided through this ministry.
Needs: donations for shoes, especially during the month of August when school is starting back and at Christmas for our "Angel Tree" Ministry.
7. **A back-to-school ministry.** The Association provides back to school kits.
Needs: The kit includes backpacks, paper, pens, pencils, glue, markers, spiral notebooks, binder, construction paper, pencil sharpeners, scissors, Kleenex, and hand sanitizer.

VA0007 – Bland Ministry Center, Bland, VA

Food – Clothing – Home Repair –Van and Forklift – Walk-in-Freezer – Campbell Soup Labels and Freezer Bags – Volunteer Dentists

The Bland Ministry Center is in Bland County, Virginia and is affiliated with the East River Baptist Association and the Virginia Baptist Mission Board. The center's goals are to meet the spiritual and physical needs of people in the region and beyond. They provide free food, clothes, and dental/denture care to people in need. They need FREEZER storage bags for the food pantry, children's underwear, and socks. They are in need of a forklift that will drive on gravel as well as a van as the one they have now is on its last leg. They collect Campbell soup labels for redemption for office equipment.

Housing: Ministry has housing to accommodate 16 people in beds and floor space for air mattresses and sleeping bags. In the summer there is another building that has space for air mattresses. Two showers

available. Also, motel less than one mile away from center. Lot next to the main house has electrical hook-ups (no plumbing) for about 2 RV units.

Food preparation: There is a full kitchen in the main house. Teams can go to Sams, Walmart, or larger groceries in towns about 20-30 minutes away. There is a small local grocery a mile from the center.

Size of groups: Depending on the teams' preferred sleeping arrangements, can accommodate anywhere from 10-60 people.

Available dates: **CALL DEE DEE HOOSIER FOR AVAILABILITY**

Materials for ministry: As far as construction projects go, we have most tools that you would need, and we often order the materials with our tax-exempt status. If a team would like to contribute to the construction materials, they may make a donation to the center. They certainly do not have to bring all supplies with them.

VA0008 – First Baptist Church, Coeburn, VA

Backyard Bible Clubs – Block Parties – Prayer Walking – Community Outreach Projects – Food/Clothing Distribution – Home Repair

First Baptist Church, Coeburn, needs volunteer teams to come and assist them in ministering to their area. Coeburn is an impoverished town that has high unemployment and serious drug problems. The church is located in Wise County, which is 90% unchurched. Teams are needed to conduct Backyard Bible Clubs, Block Parties, do prayer walking, conduct community outreach projects, conduct minor home repairs and assist with food and clothing distribution. The immediate needs are food for distribution and building supplies, tools, teams to assist local teams doing minor home repair and a 12-14' enclosed trailer to store tools and supplies on the job site. The church has started a branch mission endeavor called "Building Hope" to assist local residents with minor home repairs. The response has been great and very encouraging.

Immediate needs: new socks, new underclothes and new shoes (all sizes but especially children) for the clothes closet. People deserve these items to be new.

Also we have started a new baby ministry called "New Blessings". We take a baby item "kit" and cook dinner for families with a new baby. We visit them and have prayer for the baby and the family. Immediate needs for this ministry would be: diapers, baby wipes, baby lotion, baby wash.

Teen outreach, VBS

North Fork Baptist Church in Riverton, WV (near Seneca Rocks) is requesting a large youth and adult team to assist with 2 outreaches in one week of June, 2011. 1) A teenage outreach called Extreme Reality Day Camp (ERC) is a sports and video game related day camp which is focused on reaching the unchurched teens of the area. Volunteers are needed to help with music (a band would be great), teaching sports skills as well as leading games and manning video game room. "On-mission" teens are needed to be active in building relationships and to be paired up with the community youth for small group times. 2) VBS for children will take place in the evening at the NFBC church. A carnival type atmosphere is planned along with the VBS in hopes to draw more unchurched families. Volunteers are needed as teachers, music leaders, drama team, and help with the "carnival" activities. Church members will be helping along side this mission team, especially with VBS.

Volunteers for teen camp

Potomac Highland Baptist Association requests a team of adults who love teens and the outdoors to assist with teen camp June 2011. The camp is located in the Petersburg area. Men and women 18 and over are needed as counselors, cooks, outdoor activity leaders, and drivers. The camp begins and ends with worship. During the day the teens go out on various outdoor activities. There is also an option of staying 2 days longer (till 24th) to help with a missions trip some of these camp teens will choose to be part of. All applicants must pass a criminal background check.
