**CKY-0005-12 Youth for Christ; Louisville, KY**

**Administrative Assistant, Fund Raiser Administrator, Promotional Assistant, Grant Writer, Baby Shower Assistant, TeenParent Mentors**

**Youth for Christ** of Louisville has some needs for ongoing local volunteers for their TeenParents 2012 Program.

Youth for Christ of Louisville is looking for volunteers for their TeenParents 2012 Program. Are you looking for a place to serve? THEN TENA WANTS TO TALK TO YOU!!!

She has so many things that she need volunteers for... so if you are breathing.....have a passion....want to get plugged in where God is moving...she has a place for YOU!

Most of these positions can be done on a schedule that will fit in with yours so don't be shy....she doesn't believe in volunteer burnout and will not expect you to do what you can not handle.

The mentor volunteers will need to be dedicated to one day a week for service, a monthly mentor connect meeting, and a Quarterly training and we are looking for at least a 6 month or a year commitment.

Here are a list of the volunteers needed and a brief description of the duties:

**Administrative Assistant:** Information & Report Data Entry, Presentation Scheduling, Newsletter mailings, and miscellaneous clerical.

**Fund Raiser Administrator:** Do you like to throw parties? Then this is for YOU! Find the place.....find the fun.....invite the people (We have a BIG LIST already!) Use your imagination with it and help bring in funds for the program.

Promotional Assistant: Taking pictures of activities.....telling the stories....and putting it on our websites.

Grant Writer: Searching out and preparation of grant requests to corporate donors.

Baby Shower Assistant: Planning and Scheduling Baby Showers as needed.

TeenParent Mentors: We need BOTH Men and Women to do this. Please note that this is called TeenParents...it does take two and both parents need someone to help guide them to be the "best they can be" at being a mom or a dad.

If you are interesting in any of these....or have any further questions please contact Tena McNair at [tenam@kyanayfc.org](mailto:tenam@kyanayfc.org).

Tena looks forward to hearing from you!!

**CKY-0016-12 Epoch Fellowship; Owenton, KY****Church Construction**

Immediate Need: **Epoch Fellowship**, a Kentucky Baptist Convention High-Impact Church Plant in Northern Kentucky, needs teams to help with a new church building construction. They have

been a church plant for 2 years, acquired a building in July of 2009, and in October of 2009 the church building caught on fire and was a total loss. Since then they had been meeting in a sister church's building but have now obtained a building of their own. The building is up but they now have plumbing, framing, dry-walling, and other interior work that needs to be completed. This would be considered a small project, maybe 5-10 workers for 2-3 days. They want to make the building as functional as possible as soon as possible!

Housing is available for teams but food would be on your own.
