The prayers of a righteous man are powerful and effective. James 5:16 (NIV)

Special Prayer

30 Days of Prayer
For
Conemaugh Valley of Pennsylvania
Brothers, pray for us.
(1 Thessalonians 5:25)

Day 1-Please pray for a potential church planter in Orbisonia, PA. We are looking for partners for him in this area.

Day 2-Please pray for planters for McConnellsburg, and Mt. Union, PA. This would make the work more effective in the eastern corridor of CVBA where we have no work at this time.

Day 3-Please pray for a trailer to start a chainsaw recovery ministry unit in CVBA. We have a chainsaw and a generator for starters. (we also have several trained DR people to help man it)

Day 4-Please pray for teams to do prayer walking in over thirty communities where we need to start new churches!

Day 5-Please pray for more church planters to come to CVBA, and PA.

Day 6-Please pray for our ministry team in Ramey, PA as they seek to get an extension center started for Bible training for folks wanting to serve as missionaries, and in other ministries.

Day 7-Please pray for Lighthouse Baptist Church in Windber, PA to reach enough people this year for their Pastor to be able to serve fulltime.

Day 8-Please pray for Grace Family Fellowship in Somerset, PA to be able to reach even more folks for Jesus! They have had several professions of faith lately and would like to see more!

Day 9-Please pray for three of our churches that are looking at starting some type of mission and or church plant in this next year.

Day 10-Please pray for our association as we are undergoing major transitions due to the changes at NAMB.

Day 11-Please pray for effective follow up for the many outreach projects being done across CVBA this summer (e.g. revivals, VBS, block parties, etc.)

Day 12-Please pray for 18th Street Community church in Altoona, PA. They NEED a larger building to be able to reach even more people in inner city of Altoona.

Day 13- Please pray for Bread of Life Baptist Church in Altoona as they NEED to be in a better building. The one they are in is holding them back.

Day 14-Please pray for several churches that are asking about joining up with CVBA to help more effectively reach our ministry area.

Day 15-Please pray for the three, of our nine and a half, counties where we have no SBC work at this time. Also, there is little or no evangelical work there either.

Day 16-Please pray for groups to come adopt a borough (community) to do service projects that helps us build good will and makes church planting easier because we did something for the community.

Day 17-Please pray for our newest (at the time of this writing) church, Target One Ministries. They launched with a Saturday night contemporary service and already run over 34 in attendance!

Day 18-Please pray for New Hope Baptist Church. They started an additional Country Church service on Saturday evenings. This has led to many new people coming to that service and the other services!

Day 19-Please pray for the CVBA Youth camp coming up in August that many teens will come, and that any lost teens will be saved!

Day 20-Please pray for a truck driver/preacher who feels called to start a mobile chapel ministry to help us find sites that are truly ready for a new work

Day 21-Please pray for teams with RV's to come spend a week, or a month, in a community and do some surveys and prayer walking, and maybe find a person of peace to help us get a new work started.
